*"In the furnace God may prove thee,
Thence to bring thee forth more bright,
But can never cease to love thee;
Thou art precious in his sight."*

*"God is with thee, God is with thee;
Thou shalt triumph in his might." Hymn 43 vs3*

The words of that hymn have been among my comforting companions for almost thirty years. It is the words the Lord spoke to the children of Israel through the prophet Isaiah: "Behold, I have refined thee; I have chosen thee in the furnace of affliction" *Isaiah 48:10*

I know that the "furnace of affliction" is an eternal reality and that its consequences are an eternal blessing. I know and testify to the truth that whosoever shall put their trust in God shall be supported in their trials, and their troubles, and their afflictions, and shall be lifted up at the last day. *Alma 36*

Book of Mormon:

This Week: June 22nd-28th:

"I Will Make an Instrument of Thee" *Alma 17-22 pg98-101*

"The sons of Mosiah had an even stronger reason why they felt they *must* share the gospel with the Lamanites: They were desirous that salvation should be declared to every creature, for they could not bear that any human soul should perish. This love that inspired Ammon and his brothers can also inspire you — to share the gospel with your family, friends, and acquaintances — even those who may not seem likely to accept it."

Next Week: June 29th-July 5th:

"They Never Did Fall Away" *Alma 23-29 pg102-105*

"Do you sometimes wonder whether people can really change? Maybe you worry about whether you can overcome poor choices. If so, the story of the Anti-Nephi-Lehies can help. These people were the sworn enemies of the Nephites. But Ammon and his brethren decided to preach the gospel to them. The Lamanites did change—through the converting power of the Lord.

"They became "distinguished for their zeal towards God" (Alma 27:27). In fact, they "never did fall away" (Alma 23:6). No matter what changes you need, Alma 23-29 can give you hope that, through the atoning power of Jesus Christ, long-lasting change is possible"
