Book of Mormon:

This Week: July 20-26th:

"Look to God and Live" Alma 36-38 pg114-117

"Alma did not simply become discouraged or cynical about the state of the world. Instead, he caused that his sons should be gathered together and taught them things pertaining unto righteousness. He taught them that there is no other way or means whereby man can be saved, only in and through Christ.... Behold, he is the word of truth and righteousness"

Next Week: July 27 - August 2nd:

"The Great Plan of Happiness" Alma 39-42 pg118-121

"In these chapters, we observe Alma's boldness in condemning sin and his tenderness and love for Corianton. And ultimately, we sense Alma's confidence that the Savior "shall come to take away sins and declare glad tidings of salvation to those who repent. The fact that Corianton eventually returned to the work of the ministry can give us hope for forgiveness and redemption when we are troubled about our own sins or the sins of someone we love."
