

Sunday Services
Butterfield Canyon 7th Ward
October 18th

During these perilous times of which the Apostle Paul prophesied, Satan is no longer even trying to hide his attacks on God's plan. Emboldened evil abounds. Therefore, the only way to survive spiritually, is to be determined to let God prevail in our lives, to learn to hear His voice, and to use our energy to help gather Israel.

Now, how does the Lord feel about people who will let God prevail? Nephi summed it up well: The Lord loveth those who will have him to be their God.

Home Study: Come Follow Me - Book of Mormon: (CFM-IF)

This Week October 19th - 25th:

"There Could Not Be a Happier People" 3 Nephi 27 - 4 Nephi pg162 - 165

The teachings of Jesus Christ are not just a beautiful philosophy to ponder. They are much more than that — they are meant to change our lives. The forth book of Nephi provides a stunning example of this, illustrating just how thoroughly the Savior's gospel can transform a people.

Following Jesus's brief ministry, centuries of contention between the Nephites and Lamanites came to an end. Two nations known for dissension and pride became "one, the children of Christ", and they began to have "all things common among them". The "love of God . . . did dwell in the hearts of the people," and "there could not be a happier people among all the people who had been created by the hand of God".

This is how the Savior's teachings changed the Nephites and the Lamanites. How are they changing you?
