Butterfield Canyon 7th Ward

August 15th 2021

[For many years] the doctrine of the gathering of Israel has captured my attention. I have studied the gathering, prayed about it, feasted upon every related scripture, and asked the Lord to increase my understanding.

So imagine my delight when I was led recently to a new insight. I learned that one of the Hebraic meanings of the word Israel is "let God prevail." Thus the very name of Israel refers to a person willing to let God prevail in his or her life. ***That concept stirs my soul!***

.....The question for each of us is, Are you willing to let God be the most important influence in your life? Will you allow His words, His commandments, and His covenants to influence what you do each day? Will you allow His voice to take priority..... Are you willing to have your will swallowed up in His?

Come Follow Me - Doctrine and Covenants

August 16 - 22 "A Principal With Promise" pg 141 - 144; D&C 89 - 92

In the School of the Prophets, Joseph Smith taught the elders of Israel about building God's kingdom on earth. They discussed spiritual truths, prayed together, fasted, and prepared to preach the gospel.

But there was something about the atmosphere that might seem odd to us today, and it didn't seem right to Emma Smith either. During the meetings, the men smoked and chewed tobacco, which wasn't unusual for the time, but it stained the wood floors black and left a strong odor in the air. Emma shared her concerns with Joseph, and Joseph asked the Lord.

The result was a revelation that went far beyond smoke and tobacco stains. It gave the Saints, for generations to come, a principle with promise — promises of physical health, wisdom, and great treasures of knowledge.
